

Fundraising OPPORTUNITY!

**ROCKTON
WORLD'S FAIR
OCTOBER 5-8
2018**

The Rockton Agricultural society is offering schools an opportunity to generate fundraising dollars when they buy fair admission tickets to attend our Fair. It's easy to make money for your school and available to anyone associated with the school to help with earning money for their child's school.

Don't forget to enter competitions that are available to elementary students. Take a look at our School Fair Prize List on our website to bring out your creative talents. Prizes available.
rocktonworldsfair.com/exhibitors/school-fair

Prize awarded to the school which raises the most funds in each year.

It's easy as 1,2,3...

- 1** Obtain a fund raising code from your school
- 2** Purchase tickets for all of your friends and family online: rocktonworldsfair.com/school-fundraising using your school's Fund Raising Code. Your school will get a portion of the ticket cost, donated to your school of choice!
- 3** Meet all of your friends and family at a great fall festival, raise money to a great cause, and most importantly, enjoy one of the best fairs in Canada.....The Rockton World's Fair. Every Thanksgiving Weekend.

Register by contacting your administration office or contact us at 519-647-2502 and ask for your school code, or visit our web site to get instructions.

The Rockton World's Fair introduces children to agriculture using a variety of displays, hands on Ag stations, livestock exhibits and a chance to witness competitions up close. We connect with local schools. Elementary children are encouraged to compete in a number of homecraft, hobby and agricultural competitions, and a chance to ask farmers questions up close. A significant percentage of the public's understanding about agriculture/conservation and natural resources is introduced at country fairs.
